WORK EXPERIENCE

Fresher

EXPERIENCE ON PROJECTS

Guess-My-Number

<u>Using</u> – **HTML, CSS, JavaScript**

Discription:

I developed a simple JavaScript project that lets users play the classic "Guess My Number" game. The project is designed to showcase fundamental JavaScript concepts, providing a great starting point for beginners to explore and understand basic programming logic and interactivity on the web. Guess-My-Number

Pig-Game

<u>Using</u> – **HTML, CSS, JavaScript**

Discription:

I developed this Pig-Game Project using html, css, javascript during javascript learning. In this project i learn lots of fundamentals of javascript like how to generate random number using Math.trunc() Method, if else conditional statements, and adding event on buttton – onClick. Pig-Game
